## **Signature Remembers Our Community Ally: Enrique Zuanetto**

*Dana Levy on Behalf of the Signature Gives Back, Inc. Board of Directors*

How does a community heal itself after the loss of a great man? One day at a time, one foot in front of the other, and by keeping him in the vernacular. That is how, the men and women of The Signature Real Estate Companies (Signature) and Signature Gives Back (SGB) are choosing to proceed following the unexpected loss of our dear friend, Enrique Zuanetto, the Executive Director who'd come to be known as the face of The Soup Kitchen.

Enrique had a generosity of spirit spelled out in his daily deeds to oblige the underserved in our local area 365 days a year: the hungry, the financially insecure families, "the babies," the housing insecure. The swirl of events from the pandemic sent many more than usual to his Soup Kitchen door. He turned away no one and spoke tirelessly on their cumulative behalf.

Earlier this year, Enrique gave Signature Gives Back committee members a bird's-eye view to the many critical services his organization provides daily. I'd met him before at a Boca Helping Hands fundraiser, introduced by Signature's Executive Vice President, Jack Jaiven. With a smile ear to ear, Enrique shook my hand and told me about himself and The Soup Kitchen, like an old friend. And I knew immediately this was a person of great intention and empathy. He certainly impacted me, but even more evidently his longtime friend Jack, who shares his unbridled care for our community's most delicate.

Since Signature Gives Back's inception in 2015 as Signature's discrete, philanthropic arm, The Soup Kitchen has been strongly tied to our grassroots causes and support of our community's organization to "Be the Change You Wish to See in The World," our mantra.

Most recently, Signature Gives Back made a generous donation to The Soup Kitchen hand-delivered by Jack to Enrique. And that brought us all tremendous pride to be empowered to support those in the community Enrique and his staff have nourished, body and soul. The Soup Kitchen is so much more than a free, nutritious meal. It's a place and a resource in which those it serves---and its volunteers---take comfort, stoke a meaningful conversation, find help, feel loved. If "TLC" had one face, it would be Enrique's.

In loving memory of the life and legacy of Enrique, Signature Gives Back is arranging its first **Virtual Bingo Night, November 21, 2020 at 7 p.m.** Proceeds will benefit The Soup Kitchen. **To participate as a sponsor, donor or bingo player, please contact Jack Jaiven at [Jack@SignatureFlorida.com](mailto:Jack@SignatureFlorida.com).**

Although the pandemic has prevented some of The Soup Kitchen's passionate volunteers from continuing to volunteer as they have for many years, you may continue helping this fundamental organization do what they've done so efficiently and compassionately for the past 37 years by visiting [www.TheSoupKitchen.org](http://www.TheSoupKitchen.org), or calling (561) 732-7595; Their brick and mortar center is at 8645 Boynton Beach Blvd. in Boynton Beach, FL.

Enrique...Signature Gives Back remembers.

The Soup Kitchen & SGB appreciate donations of any amount to support these amazing organizations. Donations of gift cards &/or gift certificates to be awarded as prizes to the bingo game winners are also greatly appreciated.
